

# HEALTH & SAFETY POLICY

## **Introduction**

Impact Wrap Around Care is committed to ensuring the health and safety of all children, staff, and visitors. Operating within a school environment enhances our ability to provide a secure and supportive setting.

## **Safety in the School Environment**

- Secure Premises: Our programme benefits from the school's secure premises, including locked doors and monitored entry points.
- Safety Equipment: We utilise the school's safety equipment, such as fire alarms, extinguishers.
- First Aid - we have a fully stocked first aid kit with us at all times during the wrap around care hours.

## **Health Practices**

- Cleanliness: We maintain clean and hygienic facilities, including regular cleaning of all areas used by children.
- Hand Washing: Children and staff must wash hands regularly, especially before eating and after using the toilet.
- Illness Policy: Children who are ill must stay home. Parents should inform us of any contagious illnesses.

## **Safety Practices**

- Supervision: Children are supervised at all times by qualified staff members.
- First Aid: Staff members are trained in first aid. First aid kits are readily available. There is always a member of staff present with paediatric first aid training.
- Emergency Procedures: We follow the school's emergency procedures, including fire drills and lockdown protocols.

## **Allergies and Medical Needs**

- Medical Forms: Parents must provide up-to-date medical and allergy information.
- Medication: Staff can administer medication with written consent from parents.

## **Behavioural Safety**

- Behaviour Policy: We have a behaviour policy that promotes respect and positive interactions.
- Conflict Resolution: Staff are trained to handle conflicts and ensure a safe environment for all children.
